

APRIL 29, 2024 | NETWORKING EVENT

Pitch&Meet online with UNIVERSITY OF SALENTO

**UNIVERSITÀ
DEL SALENTO**
L'Ateneo tra i due mari

This event is organized by the University of Salento (Italy) in collaboration with APRE –Agency for the Promotion of European Research in Italy –with the aim of promoting cooperation at EU and international level in the framework of Horizon Europe –the European Framework Programme for Research and Innovation - by showcasing expertise and ideas for collaboration of potential applicants.

6 Research Teams – with a *Pitch of max. 5 minutes* each - will present their expertise and proposal for collaboration as Coordinator/Partner in the fields of:

#Health: *Medical robotics, Neuro-physio-rehabilitation, Biomechanical stress, post-covid and long covid cares, Theranostics (Therapy & Diagnostics)*

#Civil Security: *Real-time data analysis and fast-response surveillance systems for critical infrastructures crisis management; Water Security.*

#Energy: *waste-to-energy technology; biofuel technologies; Energy efficiency; Sustainable building Technologies; Advanced Materials; Phase Change Materials (PCMs); Thermal Energy Storage (TES); green AI; sustainable software engineering.*

If you work in these fields and you are looking for partners in Horizon Europe, this event might be of interest for you!
